Project Christmas Hope was a huge success last year. A new goal was set in 2018, and we hope 2019 is no different! There were 718 backpacks sent to Panama, Haiti, Honduras, and The Philippines. The backpacks go to our supported missions in these areas. The backpacks have a drawstring closure and keep moisture out in the wet climates. As a sponsor, you have the option of sending your sponsored child a backpack. This is the perfect time to send that special gift to them. However, if you are not a monthly sponsor, and would like to be involved, we need your help also! The two options available: 1) You purchase the items to put in the backpack, and send them to us along with a \$10.00 shipping fee. 2) You send us the funding, and we purchase the items for you. If you choose this option, it will cost \$15.00 plus an additional \$10.00 shipping fee. This is a great project for families, churches, Sunday school classes, children's church groups, Christian schools, and even Public schools. We also welcome you to send pictures of yourself along with the gifts. The children LOVE getting your pictures and even display them in their homes. We need to know how many backpacks you would like to fill by October 1st. (This is a Tuesday.) We will have a packing party on Saturday the 2nd of November at 10:00 am. You are invited to come join us at the packing party! Your help will be greatly appreciated. We have many backpacks to fill, so time constraints are of utmost importance! On our website is a list of acceptable items you may include in the backpacks. Feel free to text, call, or email with any questions you may have! We are so thankful for this opportunity, and are excited to send Hope to a special child!

Thank you for making a difference,

Rev. Joey Dean
